# Shoshone-Bannock Tribes Public Transit

The idea of the Transit Program is to get the citizens of the Fort Hall Reservation to the services provided on the reservation. Folks on the reservation that need to get to I. H. S. will be able to get to IHS, or to the Tribal Business Center to take care of various business, Trading Post and other such services.

Since this is a new program this is where our initial focus will be. Once we determine our ridership and variations of hourly needs, we can mold our program to fit at least some of those needs.

## Scheduling Information

It is preferred all riders call at least 24 hours in advance to schedule transportation.

All riders are based on a “First Come First Served” basis.

Departure times are subject to change without notice.

On Tribal Holidays our offices will be closed.

During inclement weather the bus may not be in operation due to hazardous road conditions.

All riders shall be paying customers.

No child under the age of 14 is permitted to ride alone or left unattended with the driver.

Absolutely! No smoking, alcohol beverages, concealed firearms or ammunition on the vehicle.

No hazardous, combustible chemicals or flammable chemicals allowed at any time

The driver will refuse transportation to a person who is obviously intoxicated or under the influence of drugs. After taking such an action, the driver shall notify the dispatcher of the incident.

The driver reserves the right to remove any passenger who presents a danger to other riders/potential riders. These include but are not limited to: intoxication, fighting, arguing, and threatening the driver or fellow passengers, use of foul language, and sexual harassment will not be tolerated and ridership may be suspended.

Inappropriate behavior from passengers/potential passengers to any driver or transit program employee will not be tolerated. This will include any phone contact, including screaming, cussing or rude behavior, as well as gestures by passenger/potential passengers. Persistent inappropriate and or dangerous behavior may cause ridership to be suspended.

## Disciplinary Procedures

If the rider does not follow all guidelines they will receive disciplinary procedures, which may result in suspension from riding privileges. The program coordinator may suspend any passenger without prior warnings immediately if necessary and without giving any other notices for no call, no shows or other incidents.

First offense—rider will receive a verbal warning from the driver.

Second offense—rider will receive a written notice from the coordinator stating the next offense the rider will be suspended from Transit.

Third Offense—rider will be notified by the coordinator that they have been suspended for a (30) thirty-day period.

The Shoshone-Bannock Public Transit **does not** provide daily school bus service.

The driver is responsible for collecting fares at the time of service.

Passengers who continue to violate any policy will be subject to suspension or permanent cancellation of transportation privileges.

Only service animals are permitted to ride on the bus.

## Pick-up and Delivery Procedures

The Driver shall greet the passenger as they board.

Horn will be sounded once upon reaching pick-up point, unless passenger has appeared. If passenger has not appeared within a few minutes 3-4 minute window driver will proceed to next destination noting this no-show.

Vehicle will not be sent back once in route on all regularly scheduled routes.

Service may be revised as warranted in order to provide the safe transportation to the general public and the department.
